

# SOLAR CANADA

ANNUAL CONFERENCE & EXPOSITION  
December 7-8, 2015 | Toronto, Ontario

## HOME OF THE FUTURE NET ZERO DESIGN COMPETITION

Introducing the First Annual student design competition, taking place at Solar Canada, December 7-8, 2015 in partnership with Emerging Leaders in Solar Energy (ELSE).

Student teams will have the opportunity to showcase their skills, and compete in creating a net zero /near net zero home. Chosen teams will create a design and present their homes in the Innovation Showcase December 7-8. Judging will occur December 8 in the contest area, and teams will be evaluated on the following categories:

- INNOVATION
- FINANCIAL ANALYSIS
- ARCHITECTURE
- MARKET APPEAL
- ENERGY USE

Our selected judges will not be the only ones to select the winner. Conference and exhibition attendees of Solar Canada will have the chance to weigh-in on which team they think hits the mark with their net zero/near net zero home.

### INTERESTED IN JOINING?

All interested applicants should submit their design proposal to [programs@elsecanada.ca](mailto:programs@elsecanada.ca). All entries will be reviewed and scored. Dependent on the number of teams submitted, not all may be selected. For application deadlines and full details, visit [www.SolarCanadaConference.ca](http://www.SolarCanadaConference.ca). Teams should not exceed more than 4 participants. All participants must be able to attend Solar Canada in Toronto, December 7-8, 2015.

Prize packages will be awarded to those that score the highest in all five categories. One Grand Prize will be awarded to the team with the highest overall score. Complimentary trade floor passes will be granted to selected teams.

**\$1,500 GRAND PRIZE**
